1970 Reveille

Fort Hays Kansas State College
Hays, Kansas

Roxy Ann Green, Editor
Greg Gleason, Business Manager
L. M. Jackson, Photography Director

The sun has gone down on one of the most tumultuous decades of modern man. War, political assassination and social upheaval rocked America and the world in the '60's. Man won his first battle with space.

More personally, the sun sets on the Cunningham era of Fort Hays State as Dr. John W. Gustad picks up the torch and leads the college forward.

Although barely risen over the horizon, one can feel the shadow of the '70's. The future of all mankind will be determined by the events of these years. The shadow of Fort Hays will be cast by President Gustad, but it is the students who will determine the depth of that shadow. Let us now begin.

FORT HAYS

Life Is an Instant —
A Dream — A Summons.
We Follow the Sun,
We Burst Outside Ourselves.

In the Uncertainty of This Age,
A College Casts
Its Shadow of Growth.
We Select, Cast Away, Evolve.

1970 Ushers in the Gustad Era for Fort Hays

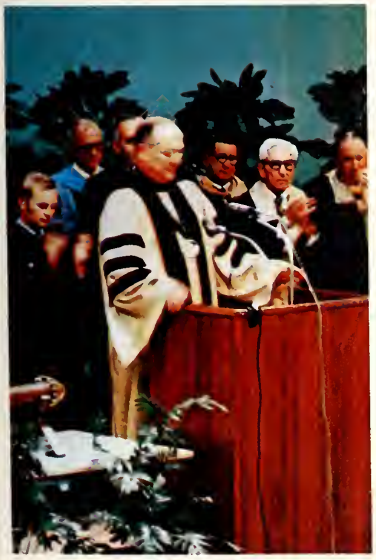
As the '60's slip over the horizon of time and 1970 casts its sunrise shadow, a new figure stands to guide the destinies and steer the course of action of Fort Hays State College.

A Minnesotan by birth and education, Dr. John W. Gustad becomes a Kansan by adoption as he accepts the Presidency of Fort Hays State and becomes its fifth president.

"I want to make this the best college in Kansas," he said, and he set about to inaugurate changes which he feels will help him fulfill his goal.

Reassessing the curriculum, reorganizing the academic structure and raising faculty salaries were the first endeavors to which he set his attention.

"Kansas has something very special and that's their people," declared Mrs. Doris Gustad as she and daughter Anne joined the new president in Hays to establish their home on the campus.



College Dignitaries Witness Gustad Inauguration

BELOW: Many speakers grace the podium during inaugural week. Among them are Dr. Walt Rostow, Steve Rayl, Dr. Neil Walker and Dr. E. Laurence Chalmers. FAR BELOW: The investiture of a president is not a completely serious matter. BELOW RIGHT: Dr. Gustad enjoys a humorous remark made by Dr. James McCain. FAR RIGHT: Faculty from various institutions pose an impressive procession.

Cold, damp weather moved the inauguration ceremonies inside to Sheridan Coliseum Oct. 5. Dignitaries from colleges across the nation as well as those in Kansas were on hand to witness the investiture of Dr. Gustad as president of Fort Hays State.

Greetings from five elements of college life were included in the program. Gov. Robert Docking brought greetings for the State of Kansas; Steve Rayl for the students; Dr. Neil Walker for the faculty; and Dr. James McCain, president of Kansas State University, for the state institutions of higher education.

Dr. Walt Rostow delivered the inaugural address entitled "The Irrelevance of the Relevant." Presiding over the investiture of office was Thomas Griffith of Manhattan, chairman of the Board of Regents.

Academic Activities Mark Inauguration Week

Charge to the President

John W. Gustad, you have indicated your willingness to accept the position of president of Fort Hays Kansas State College. . . . The questions that you, your faculty and students must seek to answer are myriad and complex. I can provide no solace by saying that the answer to these questions will be easy. The only encouragement that I can offer is that mankind, although it has demonstrated enormous capacity for folly, has also exhibited a hopeful capacity to achieve. My charge to you is to bring to bear all the resources and powers entrusted to your guidance to the task of insuring that Fort Hays Kansas State College plays its role in achieving peace, harmony and brotherhood for all mankind.

Special academic activities involving faculty and students continued throughout the week following the inauguration.

Dr. E. Laurence Chalmers, chancellor of the University of Kansas, spoke to an honors convocation held on campus Monday morning. Later that evening a special honor societies banquet was held with the president and family as honored guests. Dr. Gustad was also the feature speaker of the event.

Three faculty symposiums were held during the week. At that time, Dr. Leo Oliva, Dr. Samuel Sackett and Dr. Gerald W. Tomanek, all of the Fort Hays State faculty, presented scholarly papers.

An evening convocation in Sheridan Coliseum presented Dr. O. Meredith Wilson, nationally known as the president and director of the Center for Advanced Study in the Behavioral Sciences at Stanford, Calif. His message was entitled "Education and the Evolution of a Democratic Society."

Music also played a part in the activities of the week. The voice faculty of Fort Hays presented a vocal recital with an organ recital being held later in the week.

Capping the week for Dr. Gustad was the Chamber of Commerce banquet held on Friday Evening. Dr. Gustad was honored guest and speaker for the evening.

When a new president comes to office, new symbols are created to represent his authority. At Fort Hays, these symbols are in the form of the medallion, used in conveying the duties of office; the seal representing the authority of the office itself and the mace, which is carried during the inaugural procession.

FHS "Residents" Return

Balmy fall weather provided the perfect atmosphere for an unhurried return to class routine. The feeling in the air was one of speculation. How would the Tiger football season go? What about the new president? Would Vietnam receive more campus attention?

Whatever the expectations, students, new and old, found fall conditions—in a spring-like setting, right for getting to know campus life.

FAR ABOVE: Summer-like weather makes a fall picnic on the college lawn irresistible. ABOVE RIGHT: Enrollment involves money. Students gave to the Endowment Fund while passing through enrollment line. RIGHT: People-to-People, an organization for foreign students made new arrivals at FHS feel at home with casual get-togethers.

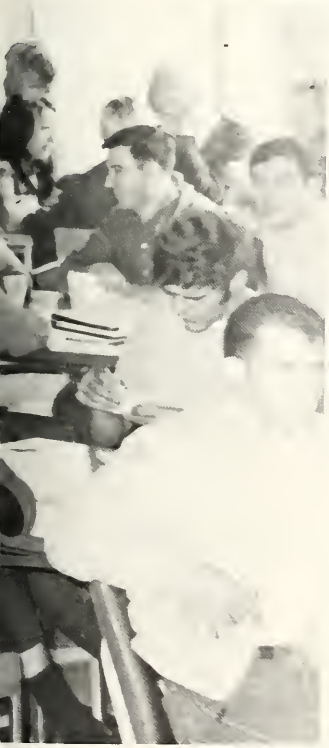
Students Welcome Gustads, Parents

Associated Women Students and McMindes Hall combined efforts to welcome Mrs. Gustad as the new first lady of FHS. McMindes sponsored a tea honoring Mrs. Gustad and daughter Ann. All women students, faculty members and housemothers were invited to visit with Mrs. Gustad during the gathering.

Students all over the campus welcomed their parents to FHS for the annual Parents Day, Sept. 20. Parents heard President Gustad speak and and had the opportunity to sample dorm food and attend a Tiger football game.

RIGHT: Debate between the Moratorium and anti-Moratorium factions becomes somewhat formal in this instance. BELOW: Crowds in the Union show the apathy many students feel towards Moratorium activities. BELOW RIGHT: Feeble candle flames are carefully guarded during the November candle lighting for peace. FAR RIGHT: Several students prefer to read about the Moratorium than become involved.

Oct. 15 Brings Meager Response



Fort Hays was no exception to the Moratorium activities as students became active in several programs, demonstrating their reaction to the Vietnam conflict. The reaction on October 15, however, was meager, characterized by only a smattering of black armbands and American flags.

Activities in November brought candle lighting ceremonies for peace and a debate between the Moratorium and anti-Moratorium groups. Large corwds in the Union during the proceedings indicated a general lack of interest.

RIGHT: Wet weather fails to wilt royal loveliness as Queen Robyn and her court share an umbrella. BELOW: Alumni and students experience a common plight as dampness continues to prevail during the Tiger football game.

Spirits High In Spite of Rain

Homecoming spirits were dampened, though not extinguished, as the weather turned wet and chilly Saturday, Oct. 18.

Students braved the rain to watch the main street parade built on the theme, "Highlights of the '60's." Capturing the Sweepstakes Prize was the combined entry of McMindes and Wiest Halls, "Dark Side of the Earth." Individual entry honors went to Custer Hall and Delta Zeta, taking first and second respectively. First place in the combined division went to Tri Sigma and Sigma Phi Epsilon.

The traditional pull across the murky waters of Big Creek ended in a sophomore victory.

Fort Hays met the Emporia Hornets in the traditional afternoon Homecoming game. The Tigers sustained a 7 to 34 loss on swampy Lewis Field. Half-time activities included the crowning of Queen Robyn Dansel, McMindes candidate. Her court included Loretta Miller, first attendant; Elia Dominquez, second attendant, Cynthia Hoffman and Jan Schneider.

ABOVE: Frosh take a tumble in their tug-of-war defeat. RIGHT: Parades are for little people and umbrellas are for rain. ABOVE RIGHT: The McMindes-Wiest float entry captured Sweepstakes Prize hands down. FAR RIGHT: Muddy ground made frequent cleat cleaning a necessary sideline activity.

A & L Program — Talent Plus

Gaiety and music concluded Homecoming week and opened the Artist and Lecture Series for 1969 on Oct. 18. The Serendipity Singers, a folk rock group entertained a capacity crowd of Fort Hays students and alumni in the barn of the Coliseum. Performing in spite of the loss of their own instruments, the Singers went on with the show aided by local merchants. Their program included skits and satirical social comment as well as contemporary songs.

Second on the A&L program was the Rumanian Madrigal and Choir, performing Oct. 24 in the Coliseum. The Madrigal provided a variety of musical entertainment complete with authentic costumes. Dressed in the styles depicting the Spanish Renaissance, the group sang numbers attributed to that era. Highlighting the evening were Rumanian folk songs and a rain dance performed in traditional Rumanian dress. Upon returning for their second encore, the choir closed the presentation with the nationally popular folk song, "America the Beautiful."

Year's First — 'Favorable'

Lloyd A. Frerer, former head of drama at Kansas Wesleyan in Salina, became the new director of the theatrical arts at FHS this year.

Employing creative aspects in staging and combining professional technique with educational theatre has brought Frerer favorable results. Evidence of these results was the first major production of the year, "Philadelphia, Here I Come!", a three act tragi-comedy by Brian Friel.

"Philadelphia," starring Wayne Sipe, Kathy Faulkner, Tom Schroder and Dennis Dey, was an exploration of the joy and sadness experienced by a boy leaving his Irish home for a new life in America.

Varsity Show Fills Coliseum

November 21 and 22 saw Sheridan Coliseum filled to capacity as the Dept. of Music presented its annual Varsity Band Show. All areas of musical interest performed, including the Jazz Ensemble, Ft. Hays Singers, Orchesis, Tiger Debs and Concert Band. Faculty and student soloists presented vocal and instrumental numbers. Money collected from ticket sales is used to provide a scholarship for a deserving student majoring in music.

ABOVE RIGHT: Varsity Band Show provides the opportunity for student soloists to perform publicly. ABOVE: Orchesis works under the direction of Miss Sarah Manglesdorf to present a Voodoo ritual. RIGHT: Jazz Ensemble keeps things lively.

Block Benefits Future Teachers

Each semester, the second nine weeks period finds Ft. Hays State senior education majors out on the teaching block. This practice, which originated at Ft. Hays State, allows future teachers to gain practical experience in actual classroom situations with the benefit of professional supervision.

Students devise their own lesson plans and teaching methods. They also have the opportunity to observe teaching methods different from their own.

Schools in the western Kansas area co-operated in this program by opening their classrooms to Ft. Hays students for the purpose of teaching block experience. Faculty of these schools fill supervisor positions. Regular Ft. Hays faculty also evaluate the teacher hopefuls.

Yule Season 'Relatively Quiet'

Christmas proved to be relatively quiet on the Ft. Hays campus. Panhellenic Council brought the nationally famous Cowsills to the Coliseum Dec. 10 for a holiday concert. The group presented their hit song "Hair" along with a number of yuletide favorites.

AWS sponsored the annual Snoball, which was held in McMindes Hall; Kathy Berger reigned as Snoball Queen.

Kathy was chosen by Guercio's Studio of Hays on the basis of a photo entry. All entrants were judged on photogenic qualities.

ABOVE LEFT: Kathy Berger smiles with delight as she receives the title of Snoball Queen. ABOVE: Couples dance in the romantic Snoball setting in McMindes Hall.

AGD Fills Quota

Rush Week's end brought sixty-four coed pledges with 25 of them going to Alpha Gamma Delta, the first house to fill its quota. Taking place from Nov. 16 to Nov. 22, Greek Rush pledge announcements were only the aftermath of a round of teas, house parties, pref parties and union parties. Skits and gab sessions introduced the pledge hopefuls to various aspects of Greek life. By the final days of the week, friendships made between actives and rushees led to the signing of pref cards.

Dramatists Present 'Love' — Pun Against 1690 Aristocracy

William Congreve's restoration comedy, "Love For Love," a satire depicting life, love and sex of the upper classes of 1690 London society, opened to Fort Hays audiences Dec. 11, 12 and 13 at Felten-Start Theatre.

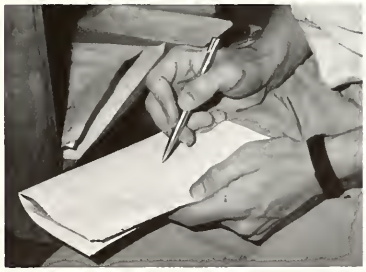
The play was brought to life by director of theatre, Lloyd Frerer who presented the play with suggestive scenery and detailed period costumes. The costumes were designed and built by Cheryl Lovitt.

Starring in "Love" were Suzi Griffin, Wayne Alan Sipe and Allen Dreiling. In charge of stage properties was Bill Segal.

Enrollment — Mad, Mad Ordeal For Both 'Vet' and 'Rookies'

Enrollment at the end of January once again proved to be a hectic three days for FHS students. Veteran seniors, as well as freshmen with but a few hours of credit, stood in numerous lines in Sheridan Coliseum and McCartney Hall where they pulled class cards.

Although the weather was conducive to more pleasant activities, the students completed spring enrollment.



FAR ABOVE: Frustration shows in the face of one freshman as she finds the class she wanted is closed. ABOVE LEFT: Students consult class schedule books frequently during enrollment. LEFT: Enrollees endure the long lines by sitting on the staircase in the Coliseum.

Student Initiative Makes HPER Complex Future Reality

Through a willingness to increase their fees by $43.87 a semester, students took the initiative in voting bonds to finance construction of an HPER complex. In a special election Feb. 13, half the student body turned out to pass the proposal by a 700-vote majority.

Initially approved by the Board of Regents and the state Senate, the plan had more difficulty in the House. However, in a conference committee, authority to issue the revenue bonds was restored and once again the bill was voted on by the Senate and the House, and subsequently passed.

Earlier the week of the voting, Vietnam critic Senator George McGovern, Democrat from South Dakota, presented his views to a packed Coliseum Feb. 10. He was the second speaker of the Artist and Lectures series.

BELOW: After his talk, Senator McGovern answered questions put to him by the audience. FAR BELOW: Bids for the HPER complex will be taken late this fall, with construction to begin early in 1971, weather permitting.

A & L Series Presents 'I Do, I Do,' 'The Lettermen'

Celebrities Phil Ford and Mimi Hines arrived March 15 to appear in the Artists and Lectures Series presentation, "I Do, I Do." The musical comedy depicted one couple's life story from wedding night to 50th anniversary.

A welcome highlight after spring break was "The Lettermen" in concert, another Series-sponsored appearance. During their April 8 show at Sheridan Coliseum, the trio performed audience requests in addition to several hit tunes.

Theatre Buffs Present Opera, Fairy Tale

"The Imaginary Invalid," an original three-act opera, premiered the second week in February to a standing-room-only audience. With the combined efforts of Dr. Lewis Miller, Patrick Goeser, the Music Dept. and Little Theatre, the production staff also included stage director Harriet Ketchum and orchestra director Lyle Dilley. The cast was comprised of three women and four men.

Once again drama came alive in the April 18-19 performances of Charlotte Chorpenning's adaptation of "Sleeping Beauty." The Little Theatre cast of 12 presented the fairy tale for the children of Hays and the surrounding area. Although it featured the traditional Prince Charming story, "Sleeping Beauty" also focused on making the action more meaningful for today's audience.

DZ's Sweep Derby Day Field; Sigs Net $600 for WV Kids

Delta Zeta sorority once again emerged as the victor in Sigma Chi's Derby Days May 14-16. The annual event to raise funds for Wallace Village, a center for treatment of minimally brain-damaged children, netted $600 to put Sigma Chis ahead of other Sigs in the nation.

Besides chasing Sigma Chi derbies, teams participated in the action at Lewis Field in such events as the great stagecoach race, lemon meringue relay, zip strip, skin-the-snake, musical tubs, disc quest, little furlough balloon bust, and yard contest.

Following the DZ's, Alpha Gamma Delta captured second place and Custer Hall third. The sportsmanship trophy went to McMindes Hall.

Fort Hays Joins National Protest of Cambodia, Kent, Environment

Fort Hays students observed the national Environmental Teach-In April 29. Included in the day's activities was a morning convocation with Dr. Eugene Fleharty, professor of zoology, as the speaker. As the organizer of the Hays branch of Zero Population Growth, Dr. Fleharty centered his remarks on over-population. Afternoon events began with a sing-in in the front of Memorial Union and concluded with a clean-up along Big Creek.

Campus rallies also made news as FHSers gathered on two occasions at the free speech podium in front of the Union to protest President Nixon's Cambodian policy and to mourn the deaths of four Kent State students. The peaceful demonstrations consisted of talks by students, and faculty and a march on the Ellis County Courthouse.

WRA Bags Fifth Straight Bike Win

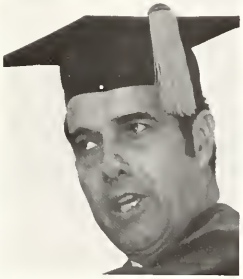
Once again the bikes were in motion as May brought to Fort Hays its seventh annual Furlough. WRA captured the winning trophy for the fifth time in a row while Wiest Hall took first place in the men's division. Barbara Schreiner, Hays freshman, reigned as queen after her crowning during halftime ceremonies of the intrasquad football game. Proceeds are used for scholarships for the Endowment Association.

ABOVE: The Black Team tromped the Gold squad 34-0 in the intrasquad football game. LEFT: Barbara Schreiner is escorted by Dr. Bill Jellison after her halftime coronation. BELOW: Preceding the race, riders circled once around the track in the women's bicycle race.

FHS Rodeo Club Maintains Top Standing in CPCRA

Rodeo excitement came to Fort Hays State as FHS Rodeo Club successfully defended its Central Plains Collegiate Rodeo Association championship. Tied for the all-around title with a K-Stater, Everett Miller later lost in a flip of a coin. Sandra Philip reigned as queen over the weekend activities.

Roy Turley captured first in bareback riding, the only first place earned for FHS. Second places were picked up by Miller and teammates Dennis Alexander and KayLynn Philip.



Dole Addresses 1,000 Grads

Over 1,000 degree candidates donned caps and gowns as the largest graduating class from Ft. Hays State heard Sen. Bob Dole deliver the main commencement address May 29.

An all graduate luncheon was held in the Fort Hays Ballroom of the Memorial Union to honor degree recipients.

This year's commencement exercises initiated a new trend at FHS. Only one graduation will be held each year at the conclusion of the spring semester. Baccalaureate services were also dropped.

Harbin Chosen for Chairmanship of Multi-faceted Education Field

With the year's faculty and curriculum revision, Dr. Calvin Harbin was appointed Chairman of the Division of Education. This division now includes the departments of industrial arts, library science, health, physical education and recreation; home economics and education.

These departments prepare students as future educators by exposing them to teaching techniques in their chosen field. Actual application of these skills was the test for those who took the teaching "bloc" before stepping into public education.

In addition, outstanding contributions were made in special education by key programs such as the Day Care Center and the Homer B. Reed Workshop for handicapped persons. These projects drew both state and national support and recognition for their work in a 22-county area.

B.S. Degree — Nurses' Goal

Miss Leora Stroup heads the Dept. of Nurse Education and is aided by seven faculty members.

This four-year program is one of two in Kansas to offer a B.S. in nursing. It enables a student to go on to graduate work or to work as a registered nurse upon graduation.

To be admitted, a prospective candidate must be of junior standing with a 1.25 grade point average over all. Five weeks between the junior and senior year are spent studying psychiatric practices "on location."

Four nine-week sections make up the senior year. One section is spent in public nursing; one includes maternity and infant care; another is in pediatrics at the Chicago University Hospital and usually the last section is in the nurse leadership class.

New Coach Stymied By Losing Season

Tom Stromgren, first season head football coach at Fort Hays State, was formerly head mentor at the College of Emporia. With him he brought a fine record of past achievement and "sic 'em" football, a new system designed to take the game to the opponents. Confidence, pride and dedication characterized the man and his method.

His coaching experience comes from three Kansas high schools where he compiled a 42-15-2 record. Upon coming to the College of Emporia in 1965, Stromgren carried on the winning tradition and ended the '67 season compiling a creditable 13-4-1.

In ten years of experience, the 0-9-0 outcome of the '69 Tiger season is only the second losing season in Stromgren's coaching history.

Tigers Down; Anticipate Comeback

The story of Fort Hays State's 1969 football season was one of frustration and disappointment. For the first season in the history of the school the team, failed to win one game.

At the start of the season the Tigers found themselves with a new coach, Tom Stromgren and a new conference, the Rocky Mountain Athletic Conference (RMAC).

In the first match against N.W. Oklahoma, a crowd of 4,000 viewed the Tigers' 6-34 defeat. Hope and high spirits still prevailed when Kearney invaded Lewis Field and did their thing, leaving with a 12-28 victory. Colorado State returned and scored another defeat at 6-53. Depressing losses to N.W. Missouri 14-35 and to Washburn 6-27 shattered all hopes of a winning season.

The next encounter, Homecoming, seemed the ideal time to stage a comeback. A crowd of 7,000 turned out to generate all the spirit and excitement they could muster. It rained and Emporia went home a 7-34 winner. Following losses were Southern Colorado, 8-43 and Pittsburg at 18-41. The final game was perhaps the most surprising. While hosting Omaha University, the Tigers put forth a valiant effort but once again fell prey to the foe, ending the season with a disappointing 20-28 loss.

Said Coach Stromgren, "We played our best ... in my book every one of those kids who stuck it out is a winner."

Visions for a brighter tomorrow? "When at the bottom there is only one way to go ... and that ain't sideways!"—Z. Zhalavodka

'Bumpy' Season For Harriers

The Fort Hays State 1969 cross country season began with some question. Larbi Oukada, former Moroccan Olympian, was out on injuries suffered in the 1968 track season. Carrying the load, Alvin Penka led the harriers to five dual and triangular victories.

Oukada joined the squad at the Oklahoma Jamboree and landed a third place, defeating the powerful Kansas University runners. Late in the season when the Tigers ran into illness and injuries, clutch performances by Dennis Wheatcroft kept the harriers on top. For the major part of the season the double punch of Oukada and Penka sparked the Tigers to numerous triumphs.

Conference Performance 'Finest Ever Seen'

For the Rocky Mountain Cross Country meet this year, the Tigers were free of injuries and at the peak of condition. After the victorious encounter, Coach Francis dubbed the team's efforts as the finest display of stamina that he had ever seen.

At the NAIA finals, the squad not only duplicated last year's championship but won by a greater margin. Oukada missed the national individual title by only seconds. The season ended as it began—in glory, as Oukada and Penka won NAIA All American and Dennis Wheatcroft missed the honor by three places.

Bengals Win Six

Thirteen Tiger victories and a 6-4 conference record with a three-way tie for second place made the 1969-70 Fort Hays basketball season a "very good year." Ten defeats and a two point loss to St. Mary of the Plains College in District 10 regional play-offs prevented rating the year as a "a great one."

Head Coach Chuck Brehm initiated the season with a complete team overhaul, recalling only three lettermen and one starter. Making up the final top five were Darryl Apel and Leneal Locke, guards; center Bob Bartkoski and forwards Daryl Stockstill and Martyn Howgill. Supporting roles were filled by Duane Rauhut, Mike Gaskell, Jim Keller, Pat James, Al Campbell, Duane Creamer, Troy Rampy, Mel Kitts, Gary Vejvoda, Joe Gresnick and Dennis Richmond.

Losing only one of 10 encounters in Sheridan Coliseum, the Tigers' home play was almost invincible. Not quite so impressive was the road record of 4-9.

Wrapping up his fifth year as Fort Hays basketball coach, Brehm commented, "I was extremely pleased with our overall performance and thought the squad did a tremendous job."

Stockstill, Locke Capture Honors

Daryl Stockstill, Geneseo junior, and Leneal Locke, Stockton senior, won individual honors in the District 10 basketball tourney at Emporia and were named to the elite squads of the Rocky Mountain Athletic Conference Plains Division and NAIA Dist. 10.

Stockstill, standing 6-4, averaged 19.1 and totalled 444 points for the 23-game schedule to claim first team honors on the All-District 10, RMAC and District 10 tournament squads. His 11.5-rebound average was tops in the RMAC Plains Division.

Locke, team captain for the 1969-70 season, was second high scorer for the Bengals at 17.8. Locke's play netted him second team All-District 10, first team RMAC and second team District 10 honors.

He also placed as a top free throw shooter in the national NAIA poll with an .864 percentage.

Freshman Gymnasts Lauded

Following the year's 7-3 record, the Fort Hays State gymnastics squad is looking optimistically toward the 1970-71 season.

Coach Ed McNeil launched the season with only two lettermen—Billy Holmes and Jim Green—but supported by freshman recruits, the Tigers swept through five meets undefeated.

In a double dual at Warrensburg, Mo., the Tigers suffered the first loss of the year dropping a match to the University of Kansas. The Tigers then retaliated by defeating Central Missouri State and Northwestern Oklahoma State, both for the second time.

Although the Tigers ended the season on a losing note to Colorado State College and Wichita State, Coach McNeil is looking forward to the upcoming season. "We'll have everyone back next year," McNeil said, "and it should be one of the best years I've had here.

"We were really lucky that our freshmen came through the way they did—they made our season."

Though young, the wrestlers compiled a 7-7 dual meet record for the year. Starters for the season's second half were three freshman, three sophomores and four juniors.

Thinclads Rack Up Wins, Records

Dual meet wins for the Tigers during the regular season occured at Kearney State 72-70 and Wichita State University 81½-63½. The Tigers also made a strong showing in the Mid-American relays at which scores were not recorded. The lone dual meet loss was to the Air Force Academy, 97-34.

At the Rocky Mountain Athletic Conference meet, Fort Hays defending meet champions took second place with 108 points. The squad captured six firsts, including two that shattered RMAC meet marks. Mike Estes churned a 47.4 in the 440-yard dash and in the mile relay Dave Schneider, Bob Young, Ron Borger and Estes combined for a 3:14.9 clocking to top the record by four-tenths of a second.

Tracksters Have 'Record-Busting' Season

A well-balanced running attack coupled with experience and desire proved to be key factors in the success of the 1970 FHS track season. The Tigers won the distance medley in the "Big Three" relay meets of the year—Texas, Drake and Kansas. At the Texas encounter the Tigers set a new record in the distance medley in 9:46.6.

Mike Estes ran a 47.1 quarter-mile, Steve Boehmen, 3:00.5 three quarter mile and Larbi Oukada 4:06 in the mile.

Oukada was named the outstanding performer for the Kansas Relays. He won the 6-mile run in 28:45.3, breaking the relay's record of 29:44.4. He also anchored the winning distance medley relay team and finished third in the 3,000-meter steeplechase.

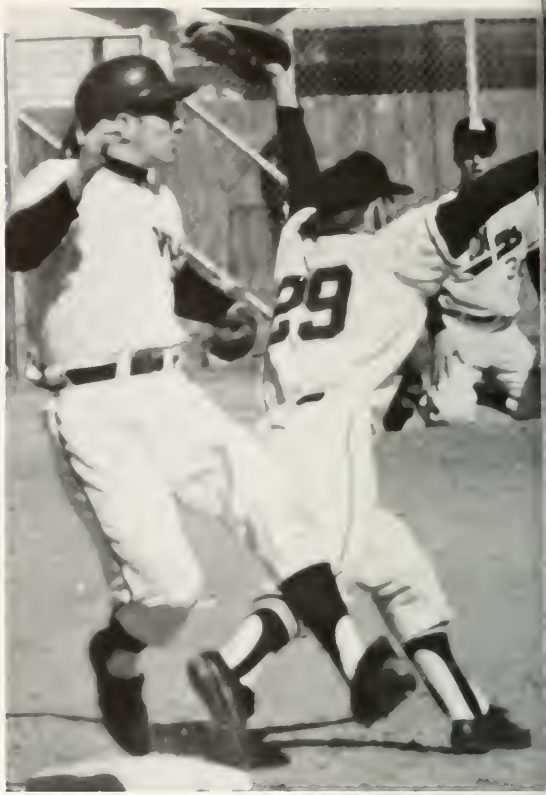
FHS Baseball Posts 'Cinderella' Season



Fort Hays State recorded its best baseball season this year by closing out with a 29-12 record. Coming from last place to RMAC championship, Coach Earl Hobbs and his Tigers earned the title of the "Cinderella" team and continued to amaze fans throughout the season.

As a team, they were the "most cohesive unit" Hobbs has ever coached. Made up of freshmen, transfer students, and only four Tiger veterans, the 1970 Tigers were a "team" both on and off the field. Although pitching was a major factor for their success, the biggest contribution was team spirit and team unity, Hobbs declared.

Since coming to Fort Hays State in 1967, Hobbs raised the baseball overall tally from 30 wins and 45 losses to a 59-57 record in the four-year period. This was Hobbs' second winning season since beginning coaching at FHS.

Tigers Win RMAC Crown; Compete in NAIA Playoffs

The Tigers battled their way into the NAIA District 10 Playoffs at Emporia by winning the Rocky Mountain Athletic Conference. In the first round of conference play, the Bengals fell to Kansas Wesleyan University, 11-5 in extra innings. All-American candidate Ken Dinkel continued to lead the NAIA sluggers by adding another homerun and three RBI's to his record. Mike Hannafin was pinned with the loss.

Bengal Hurlers Promote Winning Season

Pitching was a major determinant of the Tigers' success this year. Dennis Nelson compiled a perfect 5-0 for the regular season with an earned runs average of 1.96. Freshman Brian Bates recorded win number six against three losses as he hurled a two-hit victory over Adams State in the RMAC tourney. His six victories represent the highest ever for FHS pitchers. Nelson's 5-0 record is the best percentage in FHS baseball history.

Bengal hurlers did not spot one losing record. Depth was a key to the pitchers' success with Vic Perri at 4-2, Dwight Williams 3-0, Ken Dinkel 3-1, Jim Coffin 3-1, and Art Koster 1-0. Mike Hannifin, 3-4, the Tiger relief ace, recorded seven saves for the season.

In season play, FHS varsity golfers collected an 18-2 record while the B-team marks were 7-21. The Tigers took first and third place in both the Hays Invitational and the Fort Hays Invitational and tallied No. 1 at the Denver Invitational.

On the second day of the NAIA District 10 tourney, Emporia State edged out FHS with a 319 defeating the Tigers by one stroke. Buddy Butler tied for tourney low honors with a 36-hole score of 156 and was named to the All-District 10 team.

The squad won both team and individual titles in capturing the RMAC golf title at Denver. Fort Hays shot a 589 and Kelly Deines a 141 for individual honors.

Fort Hays Netsters Suffer Letdown After Experiencing Losing Streak

Coach Dave Winter's varsity Tiger tennis squad experienced a frustrating season this year winning only three meets, losing seven and tying one.

Greg Robinson recorded the best dual record with five wins and six losses. Randy Lawrence was next with three wins and eight losses.

In doubles competition the teams of Joe Kramer and Larry Laubhan comprised a 2-3 record, Kramer and Lawrence a 2-4 record, Lawrence and Robinson, 2-3, Robinson and Laubhan 0-6 and Greg Schwarz and Tom Schrieber a 1-5.

Intramurals Provide Seventeen Sport Activities

The general aim of the Fort Hays State Intramural Sports Program is to provide an opportunity for every student to participate in some type of competitive sports activity as frequently as his interest, ability and time will permit.

The five objectives of the program are recreation, social contact, permanent interest, group spirit and physical fitness. This year over 50 per cent of the student body participated in 17 different sports provided by the program.

Wayne J. McConnell, is currently the Intramural Director.

Combining their efforts McMindes Hall and Wiest Hall designed the winning Homecoming float and McMindes also sponsored Homecoming queen Robyn Dansel. McMindes Hall hosted several campus activities such as the AWS tea for Mrs. Gustad and the AWS Snoball.

Keeping order in the hall were housemothers Mrs. Mary Redd and Mrs. Ruth Stranathan. Helping the housemothers were Miss Karen Hersleigh, assistant head resident, and Mr. and Mrs. Ned Toms, residence managers.

McGrath Hall, a residence hall for men, is located near Lewis Field. The highlight of the year was the basketball dribbling escapade to Omaha by twenty-four McGrath Hall men. Throughout the year the residents sponsored queen candidates, including Homecoming attendant, Elia Dominguez; participated in intramurals and shared activities with the sister dorm, Agnew Hall.

Sharing the many activities with the men of McGrath Hall was Mrs. Margie Habinger, housemother, and Bob and Sandy Bartkowski, resident managers.

Married Students at Home in Wooster

Family housing on the Fort Hays State campus consists of the 84 apartments making up Wooster Place. The apartments are conveniently located for easy access to classes and give the occupants the feeling of having a real home. Pictured are Mr. and Mrs. Lary Stull presenting life in Wooster Place.

More than 75 per cent of the student population lives off-campus. They choose off-campus housing for a variety of reasons including privacy, freedom, economy and marriage.

Two apartment complexes, Hillcrest and Campus, are easily accessible to Fort Hays State's campus area while the city of Hays offers living space in trailors, basement apartments, sleeping rooms and full-size homes.

Panhellenic, IFC Serve Greeks

Two vital groups serving the Greek system are Panhellenic Council and Inter-Fraternity Council. Through these organizations, an attempt is made to unite the Greeks on campus. Besides acting as courts to settle disputes and differences, Panhellenic and IFC also take part in rush, Greek Week and other campus activities in which Greeks are involved.

Another unifying group, Junior Panhellenic, saw its first year trying to coordinate the activities of the women pledges in sororities. This group, sponsored by Mrs. Maxine Hoffman with Margaret Moore as president, attempts to aid Panhellenic while serving sorority pledge needs.

Dean Jean Stouffer and Dean Michael Stewart served as Panhellenic and IFC sponsors. Jane Rice and Fred Johnson filled the offices of president.

Junior Panhellenic meets to adopt a new constitution for the purpose of uniting sorority pledges.

Greek Tradition Stays

Two fundamental parts of Greek life which remain vital each year are rush and Greek Week activities.

Rush is the life's blood of the Greek system. Actives spend long hours seeking out men and women to carry on the traditions of the system.

Greek Week spotlights a brighter aspect of Greek life. Throughout this frenzied week, members from all the fraternities and sororities on campus participate in a varied assortment of activities. This year, the activities ranged from fun and games at a wild, frolicsome carnival to just plain drinking at the kegger. Other activities included the crowning of the Greek God and Goddess at the Greek dance, the Greek sing, various exchange dinners and housemothers' teas.

Alpha Gamma Delta highlighted their year during rush week by accomplishing the task of filling quota with a 25-woman pledge class. Alpha Gams were proud of their busy group being involved in many campus activities. Tiger Paws, honor societies, queen pageants, and the cheerleading squad were all enhanced by Alpha Gam members. Karen Johnson led the Tiger Deb drill team for a second year; many Alpha Gams were marchers. Despite all this action, the chapter retired the scholarship trophy in the fall.

Some of Alpha Gamma Delta's activities included their annual Rose formal and "Realm of Rejection" informal, along with Parents Day, senior breakfast, and a powderpuff football game.

As a sisterhood, Alpha Gamma Delta enjoyed the Christmas party and attending church together.

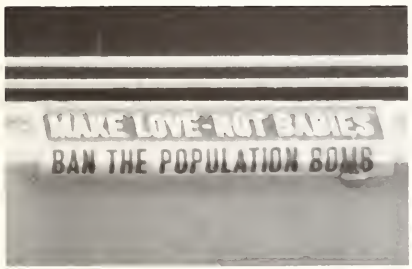
The year has passed;
Our shadows have lengthened.
Hopefully, we have begun to learn
The special lesson of loving.

SPENCE



MAKE LOVE NOT BABIES
BAN THE POPULATION BOMB

Our year is over. All of us have grown in some aspect of life; each is closer to casting his own independent shadow.

My year as editor has been a series of memorable frustrations and accomplishments. But this Reveille is not my book alone; it belongs to the school and especially to that part of Fort Hays that did the most to make it a reality: the students.

In giving thank-you's, the biggest must go to the staff for their loyalty and willingness to work extra hours in order to complete the book. Leader staff has proven to be priceless ally. Mrs. Rogers, our advisor, and Taylor Publishing Co. representative Paul McClellan, have given me the needed knowledge and assistance to do the job. Thanks to the Photo Lab staff for providing the pictures you see in this book. Without them the fun part—the pictures—would be lacking.

And finally, a special hug of appreciation to Lynn Bunker, Ella Rayburn and Rita English who did so much to keep my spirits up and get the pages done.

Editor

REVEILLE Says Thank You Advertisers

The Reveille would like to take this opportunity to thank all of the Hays businesses who have advertised in the Reveille, this year and in previous years, for their good faith and patronage. You have been very good to us.

This volume of the Reveille is the last to include an advertising section. Omitting this section is not something the Reveille alone is doing. Yearbooks all over the nation are discontinuing ads for various reasons.

Three Hays firms have been with the Reveille since its first volume was published in 1914. To you we say a special Thank You.

May you all continue to prosper in the years to come.
